Re: McLean Construction Ltd.

To whom it may concern,

McLean Construction Ltd. is a General Contracting and Construction Management company owned and operated by Len McLean. Len arrived in Osoyoos as Project Manager with Darwin Construction to complete the Watermark Beach Resort Hotel in August 2008. Watermark was completed in November, 2009. Len and his wife Kirsten and sons Brody and Zane loved the area so much that they decided to make the South Okanagan their new home.

Len has a long history of successfully completing construction projects both residential and commercial. My personal experience working with Len has been exceptional. It is not often that I feel the need to promote a new business in this way, but I believe Len's skills are a real benefit to the community, and his focus on customer satisfaction is paramount. Please accept this endorsement and allow me to encourage you to discuss your next residential or commercial construction project with Len Mclean.

Kind Regards,

Chris Wyse  
Burrowing Owl Vineyards Ltd.
